

Trade-In Promotion for Cable Certifier

Save up to 3000 €

Promotion extended until May 31, 2012

5 good reasons to change:

- Change to the latest and hottest technology
- Conforms to latest and proposed standard
- Future proof and scalable to new cabling systems
- Intuitive user interface
- Optimum value for money, best price / performance

WireXpert from Psiber Data currently offers the highest bandwidth in the industry combined with superior measurement accuracy. It is one of the first testers meeting the proposed level V cable certification standards.

WireXpert

- a future-proof asset

WORK FASTER AND SMARTER!

- X Simple to learn and operate; large and bright touch screen
- X Fastest test times for CAT6_A and Class F_A testing
- X Dual Control System - operate from both ends
- X Low cost of ownership
- X Simple upgrade to SM and MM Fiber, Coax and Patch Cord Testing
- X Future proof architecture; ready for data rates beyond 10Gb/s

Trade-in your old cable tester and switch to the latest in cable certification technology!

PROFESSIONAL NETWORK TESTING & PROTOCOL ANALYSIS

PROFESSIONAL NETWORK TESTING & PROTOCOL ANALYSIS

Our **Trade-In Bonus** offers you the chance to exchange your old tester for an award winning **WireXpert**. This means you can own the latest state-of-the-art cable certifier at an incredibly low price.

Be prepared for the future, and exchange your old tester for a brand new WireXpert. Be sure to get optimum support and latest technology for your job over the next years!

Accepted Trade-In unit	Trade-In Value	WireXpert List Price (net)	WireXpert Purchase Price after Trade-In (net)
Fluke DTX 1800 Ideal Lantek II-1000 MHz	€ 3000,--	€ 7495,--	€ 4495,--
All other certifier testers*	€ 1500,--	€ 7495,--	€ 5995,--

How does this trade-in work?

Simply place a purchase order for a new WireXpert with your authorized Psiber reseller and submit the required information for your old trade-in unit (brand, model and serial number). If the product is eligible for trade-in*, the above amount will be deducted from the list price. Within 30 days after receipt of your new WireXpert, simply send that trade-in unit to your reseller.

Please note: In the event the returned unit is not received within the stated 30 day period, Psiber Data and our reseller partners reserve the right to invoice the balance due up to list price retrospectively.

These Products are eligible for Trade-in:
*Fluke: DSP4000, DSP4100, DSP4300, DSP100, DSP2000, Omni-Scanner1™, OmniScanner2™, Penta Scanner100, PentaScanner
Ideal: LanTek®6/7, LT8155, LT8600, LT8100A, LanTek Pro/ProXL
Agilent: WireScope350™, WireScope155™, WireScope™
Datacom: LanCat5
The returned unit must be working/turn on.
